Appeal Option: **Request for Wavier**
Billed Entity Number: 127229
Form 471 Application Number: 534223
Funding Request Number: 1478040 & 141663

The denials are based on the response that was made during the PIA review on October 20, 2006. I sent clarification data to them to show that the original count included in the 471 application were correct.

I am requesting a waiver based on the documentation that was sent as clarification. Please review our two applications once more using the data that has already been filed.

We currently have application 471: 496677 that is using the same count that has yet to be reviewed by PIA. We would like to know the status of this application as well.

Sincerely yours,

Joseph A. Rukat, Jr.,
